

Edito... Edito... Edito...**CSEDU 2015 - Un mot des comités...**

CSEDU 2015 will be sponsored by the Institute for Systems and Technologies of Information, Control and Communication (INSTICC) and held in cooperation with ACM SIGITE - ACM Special Interest Group for Information Technology Education, ACM SIGMIS - ACM Special Interest Group on Management Information Systems, ATIEF, SPEE - Portuguese Society for Engineering Education, ECBE - European Council for Business Education and iELA - The International E-Learning Association. CSEDU 2015 is also technically co-sponsored by IGIP - International Society for Engineering Education. INSTICC is Member of WfMC - the Workflow Management Coalition, OMG - Object Management Group, SEFI - European Society for Engineering Education, EATEL - European Association of Technology-Enhanced Learning and IGIP - International Society for Engineering Education. CSEDU would like to highlight the presence of the following keynote speakers:

- Glenn Wintrich, Dell, United States
- Rob Koper, Open University of the Netherlands, Netherlands
- Eric Mazur, Harvard University, United States

CSEDU is interested in promoting high quality research as it can be confirmed by last year acceptance rates, where from 242 submissions, 42% of which were orally presented (13% as full papers).
